

VIVA MEMBERSHIP PLAN

Care

Individually Priced

The 'Care Plan' upgrades and extends the privileges of your membership to include cover for any necessary treatment that you need. The Care Plan is available to you once you have had any pending or ongoing treatment completed and become dentally fit.

The monthly fee for our Care Plan is banded, depending on the state of your oral health. We believe that our Care Plan provides you the peace of mind of having comprehensive cover for all your necessary dental treatment requirements.

Benefits can only start after the first Direct Debit payment has been received by Viva Dental. Any benefits received will be repayable, should you cancel your membership or upgrade within 6 months of completion of treatment. If you are not a member of the practice already, a one off joining fee equivalent to your agreed monthly payment will apply and be taken with your first payment. Our membership is administered by Denplan on our behalf. The insurance component of your plan is arranged through Denplan.
